Research and Innovation Committee

Report

Date: 12 July 2022

Research and Innovation committee of the college arranged a special lecture on 'Patent Process' on 11 July 2022 for the faculty members of Art's, Commerce and Science in the Seminar Hall A-18. The objectives in arranging the lecture were to promote and motivate research and innovative skills among the faculty and guide the them about patenting process. Hon. Principal, Dr. K. C. Mohite was the chief guest of this seminar. In his address, Dr. K.C. Mohite spoke about how teachers can engage themselves in research and bring innovation in their teaching methodology. He further guided the participants about the patenting process which would help teachers at the time filing their patents of innovative research work to the government authorities. 45 teachers from all faculties attended this special guest lecture. Dr. NM Ghangaonkar, coordinator of the committee, introduced the chief guest and the intention in arranging this lecture at the start of the academic year. Dr. Birappa Belle from the department of English proposed vote of thanks.
