**Rasiklalji M. Dhariwal General Knowledge Exam**  
**Academic year 2018-2019.**

Rasiklalji M. Dhariwal General Knowledge Examination has started from academic year 1997-1998 by former Principal and Shirur Shikshan Prasarak Mandal's Secretary N. S. Nikam. This year this activity completed 21 years. This examination has been beneficial to all rural secondary and higher secondary school children for preparations of various competitive examinations. Exam was conducted in 12 January 2019.

On this occasion, The Principal of the college, Dr. K. C. Mohite, said that due to association ship of Shirur, Shrigonda and Parner's headmaster's association, we could conduct this examination on the large scale. This is a unique outreach activity from our institute for secondary and higher secondary students. It would be beneficial for acquainting various learning methodology,

This examination was conducted with the inspiration of Hon. Prakashji Dhariwal, President of Chandamal Tarachand Bora College Governing council, on the day of examination, Hon. President visited to examination halls.

Local MLA Mr. Ashok Babu Pawar also visited during the examination. He interacted with students as well as parents. He noted that, school level guidance would be beneficial for finding future carrier path. Department of Physics, Savitribai Phule Pune University, Pune and LG company sponsored movable laboratory (Mobile Science Laboratory) also demonstrated various scientific facts with laboratory demonstration. Participated students were benefited and understand the various experiments.

On the day of examination, College students (UG, PG and research scholars) were presented their innovative projects in the form of posters, models as well as laboratory research work for participated students. This type of activity would be beneficial for inculcating scientific approach from school days. . Almost 4000 students registered from schools in Shirur, Srigonda and Parner area with overwhelming response. There was a lot of response from both the small group and the big group.

School students were also visited various departments and understand the various laboratory models as well as experiments. Dr. D.H Bobade delivered a lecture on need of non-conventional energy sources in this era and demonstrated the various instruments. In

department of Botany, students visited Plant tissue culture laboratory, Mushroom laboratory and medicinal plants botanical garden. Departmental staff was aware to students about the importance of biotechnological tools for future betterment. Hon. Principal Dr. K.C Mohite, was interacted with participated and guided to students. Innovations and understanding the basic scientific facts would be beneficial for future development of India. This examination was coordinated by Dr. V.B Naikawadi (Co-ordinator- Schol College Co-ordination Committee), D.H Bodade (Co-ordinator Competitive examination Committee). This examination activity was conducted under the guidance of Anilji Bora, (President of Shirur Shikshan Prasarak Mandals) and Shri. Nandkumarji Nikam. (Secretary Shirur Shikshan Prasarak Mandals).
