## Analysis of Feedback on Syllabus Design and Review (SDR)

The college has devised a mechanism to obtain feedback from different stake holders and analyze them. 10 strategically important questions relating to various aspects of the syllabus and its transaction were framed and sent for the stakeholders' response. In the reporting year, in the context of the pandemic, the survey was conducted online using the Google Form platform. The responses obtained online were analyzed and a detailed report was submitted to the affiliating university (Savitribai Phule Pune University) for further action. The details of the feedback analysis report and the findings are as follows:
