**Above are the original Positive, Negative, Suggestive comments by the students received through online mode. They are placed as it is they are received.**

**These are the Suggestion and positive, negative comments expressed by the students through the students' satisfaction Survey.**

#### **Collection and Analysis of the feedback:**

**We at IQAC collected all these comments and analyzed them and were discussed through IQAC.They are sheared with Hon.Prin. Dr.K.C.Mohite; these analyzed comments were also presented to Hon.Prin. N.S.Nikam (Secretary, Shirur Shikshan Prasarak Mandal, Shirur and Management Representative, IQAC, Comprehensive Committee).**

#### **Action Taken Report:-**

**The Management has taken serious cognizance of the suggestion,(especially possible suggestions and as well as Negative comments)and action about the redressal was immediately taken. Following are some of the points along with Action Taken Report.**

1. Industry visits, campus interviews, Expert lectures were demanded by the students. These activities are already organized but more focus will be given in future.
- 2 The students demand various sport activities, different competitions and use of ICT. Now after covid-19 all activities are restarted. The physical Director is appointed and number of ICT classrooms is also increased.
3. The students demand use of library and laboratories. After covid-19 situation students are using library and laboratory facilities with good capacity.
4. **77.1% students are satisfied with the communication of PO, CO's of the courses**, but 9% are not aware of the same so it was communicated through a notice to all staff to see to it that 100% students are conveyed with the PO, COs.

5. The teachers inculcate **soft skills, life skills and employability skills** and 80% students satisfied with these skills.
6. The students suggested about the cleaning of classrooms and toilet, so that college has **appointed new separate staff** for the classroom and toilet cleaning.
7. Some students reported darkness in some classrooms; in such classrooms **tube lights were mounted** to avoid darkness specifically during monsoon season.
8. Some students have reported compliant about drinking water facility. The college has provided **one more place of filtered drinking water** facility in front of 'D building'.
