

VISION

“This institution aspires to become an excellent centre of higher education of teaching and research providing quality education that is technologically advanced , socially and morally relevant particularly to the rural students, and to groom them to face the challenges of the emerging global scenario and to benefit from the growing economic opportunities”.

MISSION

- To provide quality education to rural students, educationally, socially and economically disadvantaged and first generation learners with the aim of education for all.
- To achieve academic excellence by imparting quality teaching, learning, research, co curricular and extra-curricular activities
- To empower girl students by providing them opportunities of higher education to make them employable and hence financially and socially self-reliant in order to guarantee equality of the sexes.
- To undertake comprehensive community development programmes through various activities that promote India’s common cultural heritage, egalitarianism, democracy and secularism.
- To collaborate with stakeholders of higher education at national and international levels for research and training and to pool their intellectual resource and participation in projects of national importance.

The Motto of the college is *Na hi dnyanen Sadrisham Pavitra mih vidyate* as said in the *Bhagvat gita* which means, “न हि ज्ञानेन सदृशं पवित्रमिह विद्यते”, (**"Nothing is as sacred as knowledge in this world"**) With this undoubted faith in the quality of Knowledge.

Goals and Objectives of the Institution

- a) To establish a center of higher education offering undergraduate and post graduate courses to serve rural society.
- b) Community development through various extension activities.
- c) To provide practical and skill-based knowledge to students for creating self employment and employment opportunities in private and public sectors.
- d) To promote the use of Information Technology in teaching, learning, research and evaluation.
- e) To widen the college-industry network.
- f) To offer extension services to farmers in the surrounding areas with the help of college extension counters set up in different villages with active involvement of past students and local village youth.
- g) To ensure a safe learning campus environment for all and especially for girl students.
- h) To undertake continuous assessment of students.
- i) To develop research attitude among students and teachers to cater to the local and global needs.
- j) To create environmental awareness to save and conserve nature.
- k) To develop scientific temperament among students and teachers.
- l) To promote nationalistic ideals and values among students and teachers.
