Examination Section (Senior College)
Annual Report 2020-21

Examination Section of the college envisages the need for radical reforms in traditional examination and assessment system and is working towards evolving a credible, valid, effective and transparent evaluation system that responds confidently to the upcoming challenges and new demands. The college examination committee plans strategies and monitors implementation of useful examination practices at UG and PG departments of the college. It works as a student facilitation center to response promptly to student queries. The college examination section coordinates with the university examination section to ensure credibility and stability to examination system.

In the strategics of examination section due importance is given to planning, preparation and execution. For well planning and better execution regular meetings of the committee were held during the reporting academic year under the guidance of the principal Dr. K. C. Mohite. Every meeting was held as per the agenda of the meeting along with the due consideration to the opinion of each committee member. The Principal's guidance, support and timely help made the entire process smooth and successful even in the critical phase of COVID 19.

In the academic year 2020-21 due to the COVID 19 and lockdown the assessment part and face to face communication with the students became challenging one. The exam section used technology effectively to overcome these problems. As per the guidelines of the university the exam section of the college successfully planned and completed university examination, internal assessment, internal marks entry, results analysis, examination forms filling process, issuing hall tickets, dissemination of information to the students, student's grievances and guidance to teachers and non-teaching staff related to examination.

In the critical phase due to COVID 19, offline and online university examination have been conducted from 12 October 2020 onward as per the time table provided by the university. The college exam department followed all the measures and

precautions, the guidelines of the central government, state government, the university and the local authority. The First Year Exam 2013 Pattern has been conducted from 08 to 18 December 2020. The result in the examination was declared in stipulated time as per the guidelines of the university. All the internal examinations of the reporting academic year have been successfully conducted by the exam section.

I extent a sense of gratitude to the management, the principal, the faculty in charge, all teachers and the committee members for their valuable contribution and cooperation
