**Brief Report:-**

The Dept. of Chemistry has organized an online workshop on “**Intellectual Property Rights**” on 15 April 2020 at 12:30 pm; Asmita Marathe was the resource person. Hon. Principal Dr. K.C. Mohite inaugurated the workshop and Dr. N. Ghangaonkar introduced the guest speaker.

The students and staff got knowledge about this field and also came to know the obstacles in this field. How a researcher is benefitted by Intellectual Property Rights? The speaker also told importance of IPR. Further the guest elaborated that IP rights facilitate the free flow of information by sharing the protected know-how critical to the original, patented invention. In turn, this process leads to new innovations and improvements on existing ones. All this information was provided to the students during this one day workshop. The speaker also resolved the doubts of the students.
