**A.Y. 2021-22**

---

During the academic year 2021-22 the feedback from students is collected through online mode due to pandemic situation of Covid-19. A total of 112 responses from students were received.

These were analyzed, It has been observed that there is 'no' negative response about admission process. Majority are happy with the discipline, few found the canteen to be more developed, Majority are happy with the library, 166 student found examination system good out of 190. No negative opinion about curricular activities and extracurricular activities. Most remarkable that 96% remain remarked that female students are more secure in the college.

The feedback analysis has been forwarded to Management through Principal.
